THE MODERATOR'S MESSAGE

As we draw nigh to the 30th Annual Meeting of the National Association we can justifiably be proud of our growth and strength, which is clearly indicated by this latest Yearbook. Each year the size of and the listings in the Yearbooks have increased. These could be dismissed as bare statistical facts, but excitement comes from the realization of the growing number of individuals who are serving the National Association and the local churches with dedication to the Congregational Way.

To me, the Yearbook is a treasure trove, not only of valuable and often needed information, but a tie to friends and to-be-friends across the nation. I trust you find it so, too.

Herein are names, addresses, telephone numbers of Oak Creek staff, ministers, lay workers, Board and Committee members who willingly will respond to questions and concerns pertinent to their particular field. When one is on a vacation (or making a permanent move) the name and address of a nearby local church is readily available in the Yearbook. Study the By-Laws? They are here, too.

Did you know there are listed more than twenty Regional Congregational Associations which schedule area Fellowship meetings? Many also plan and conduct area workshops and retreats, such as the increasingly popular Church Women's and Ministers' Wives' Retreats. As these are expected to continue to grow and expand, the inclusion of the first names of spouses, not presently given in the Yearbook, seems called for. Hopefully, future Yearbooks will carry these.

Grateful appreciation is extended to our staff at Oak Creek for their care and diligence in the preparation and editing of the Yearbook. Use it with joy and pride!

Marion Luenberger, Moderator

CITATION TO ELVERA LEVERSUCH

A child of God, a free person, a devout Christian, an ardent Congregationalist, a loyal American, a faithful wife, a loving mother, a true friend, a leader, a follower, a good servant in the Kingdom of Right Relationships.

Who has served her God, her Lord, her family, her neighbors and her church without reservation throughout her entire adult life.

She and her husband, Fred, met at a Pilgrim Fellowship meeting. Their first date was for a Pilgrim Fellowship activity. They were married at a Congregational Church. They raised their three daughters in the Congregational Way.

She through the years, has served her local church in many ways, including service as a church school teacher, Chairperson of the Board of Religious Education, President of the Women's Association, Deaconess, and several years as a member of the Executive Committee. She has also served her local church (on a part time basis) as a professional staff person for the better part of fourteen years.

She has served on the national level in various responsibilities since 1969. She was assistant secretary of the National Association and the Corporation from 1973-1974, and has been the secretary from 1974-1983.

TO YOU, ELVERA LEVERSUCH

We, the members of the National Association of Congregational Christian Churches, assembled in the Twenty-ninth Annual Meeting in East Lansing, Michigan, June 26-June 29, 1983,

Express our profound appreciation and deepest gratitude for your selfless service, and extend to you the warmest best wishes of the thousands of freedom-loving men and women of our growing national fellowship.

FROM THE EXECUTIVE SECRETARY

One of the unsung heroes of our fellowship is that person who serves as Corporate Secretary for the National Association. For the past ten years we have benefited immensely from the patient, congenial competence of Elvera Leversuch whose picture and citation appear across the page from this. The Corporate Secretary is responsible for recording and putting in proper form the official minutes of the National Association, its Corporation and its Executive Committee.

These minutes must be accurate, clear, and precise, and they also need to be readable and understandable to those who may not have been close to the situations which brought them into being. How fortunate we have been to have had Elvera with us for a decade to show how this task can be accomplished with grace, balance, and good spirit. Many, many thanks, Elvera.

At our recent Lansing meeting we expressed our deep thanks to those who were completing tours of service in various offices and on all our boards, commissions, and committees. At the same time we extended a warm welcome to a great many new people who will now give attention to our various program areas and to specific responsibilities on behalf of our churches. This heavy dependence upon volunteers is close to the genius of our free churches. We are grateful to all who do whatever they can to support and encourage the individual and shared work of our churches at home and around the world.

The steady and wholesome growth of our free church fellowship is largely due to the willingness of a host of men and women who give themselves gladly and unstintingly to this good work. For all of this we raise a Te Deum in our minds and hearts, and also feel like singing both the lesser and the greater doxologies.

A. Ray Appelquist

CONGREGATIONAL CHURCH DEVELOPMENT

A statement of purpose for the Congregational Church Development Division appears in the By-laws of the Corporation for the National Association as follows:

"To serve as the Agency of the National Association of Congregational Christian Churches in encouraging and supporting the organization and development of new Congregational Christian Churches by such methods and in such locations as the Division may determine appropriate after due study and survey; including response to the inquiries of self-generating groups which may request counsel and support from the National Association for such a purpose".

The Division has the power to accept, accumulate, and expend funds designed for the above purposes, all funds being held in the name of the Corporation for the National Association. It elects its own officers, and reports semi-annually to the Executive Committee sitting as the Board of Directors of the Corporation. It has also assumed the promotion and administration of the Ten Dollar Club, as well as offering counsel and support to existing Congregational Churches with special problems.

CONGREGATIONAL FOUNDATION FOR THEOLOGICAL STUDIES

Since 1961, the Congregational Foundation for Theological Studies has been providing counsel and financial grants to students preparing for a Christian vocation. The primary concern of this Division is to provide our local Churches with well-trained pastoral leadership.

To date, 112 students have benefited from the counsel of the Dean, the assistance of an advisor and financial grants

The Foundation's program is available to a well-qualified person determined to become a Congregational Minister, Director of Religious Education or some other kind of special Minister or Teacher.

To continue its mission, the Foundation is dependent upon the member Churches of the Association to provide several things:

1. Regular fiscal support.
2. Encouragement to young people in their parish to consider becoming a parish minister, Director of Religious Education or prepare for a special kind of ministry.

THE MISSIONARY SOCIETY

A statement of purpose for the Missionary Society, a division of the Corporation for the National Association, appears in the By-laws of the Corporation as follows:

"To serve as the missionary agent of the churches of the National Association, and of such churches as desire its service; to receive, manage, and distribute such funds and properties as may be entrusted to it according to the expressed wishes of the donors, or in the absence of such designation, by the vote of the division; to counsel with such Churches as call upon it in the area of their missionary concern; and generally to stimulate the spreading of the Gospel of Jesus Christ by such means as are in keeping with the basic principles of the Congregational Christian Churches as stated in the Articles of Association and By-laws of the National Association of Congregational Christian Churches of the United States."

The activities of the Missionary Society are managed by up to twelve division members. All funds received are disbursed through the Treasurer of the National Association. Designation of gifts for specific missionary projects is faithfully complied with in the disbursement of funds.

Currently, the Missionary Society is supporting Congregationalism through aid to churches in many communities across the country, including Hawaii, and supports mission work in the United States and fourteen other countries. Support to churches and missions is given in direct proportion to what is received from N.A.C.C.C. churches and individuals.

COMMISSIONS OF THE NATIONAL ASSOCIATION

The Functions of the Commission

The Commissions of the National Association actually are extended sub-committees of the Executive Committee, charged with responsibilities in specific areas of concern such as Christian Education, the Ministry, Communications, World Christian Relations, Spiritual Resources, Women, and Youth.

The Executive Committee designates a liaison representative to each Commission. Commission members are to be nominated by the Executive Committee and elected by the National Association, after nominations from the floor, for four year terms so that one-fourth of the membership changes each year. The Executive Committee also appoints the chairman of each Commission for a one-year term, after consultation with each Commission.

In practice, the Commissions are granted considerable autonomy in carrying out their responsibilities. They report all actions promptly to the Executive Committee, including recommendations for actions by the Executive Committee. Some of these recommendations require further action by the National Association at its Annual Meeting. In that case, they are reviewed by the Executive Committee, and its recommendations in turn are submitted at the Annual Meeting.

In the case of some of the older Commissions, records are not available on the enabling resolutions which originally brought them into existence. It has therefore been necessary to draft a current statement of their activities based on actual practice, as a matter of information to the membership of the National Association.

The Commissions normally meet twice a year; during the fall months and immediately before the Annual Meeting of the National Association. Seminars are planned by many of the Commissions in conjunction with the Annual Meeting of the National Association.

COMMISSION ON CHRISTIAN EDUCATION

The Commission on Christian Education was organized in 1957 to assist churches with their Christian Education programs and to help implement the progress of the Congregational Way.

Believing that our historical heritage embodies the basic principles of freedom and fellowship, the Commission devotes most of its efforts toward Heritage Materials designed for all ages. The Commission is also aware of the difficulty encountered by many churches in choosing a total curriculum and has provided charts and guides to aid each church in the evaluation and choice of curriculum materials suitable for its immediate needs.

It is our hope and prayer that through the influence of Christian Education the great freedoms of the Congregational Way will move forward to benefit all mankind and will inspire all to "stand fast in the liberty wherewith Christ has made us free."

COMMUNICATIONS COMMISSION

The Commission is charged with the responsibility of aiding and promoting materials which will be of assistance to churches and individuals in their religious life and which will promote the work of the National Association.

The Commission is represented on the Editorial Advisory Committee which works closely with the editor of THE CONGREGATIONALIST on policy, budget, and circulation matters. It also prepares and distributes to member churches periodic bulletin inserts.

The Commission, when asked, will receive manuscripts for proposed publications from individuals or Commissions, making editorial suggestions and seeking to integrate them into the program of the National Association.

The Commission will also initiate materials which would be helpful in promoting and interpreting the Christian way of life from the unique viewpoint of Congregationalism.

COMMISSION ON THE MINISTRY

The basic responsibility of this Commission is the nurture of the Christian ministry in the churches of the National Association.

Working closely with the staff Secretary for Pastoral Relations, the Commission concerns itself with policy aspects of securing ministers and problems arising within the purview of his office. The Commission has been assigned the responsibility of overseeing the endorsement of ministers as chaplains in Federal government and other positions requiring such certification.

The Commission supervises grants of financial assistance to ministers, both active and retired, who face emergency financial crises. Commission members constitute the board of directors of the Hoerner Fund and supervise the distribution of gifts and grants to retired ministers and their surviving spouses.

Because of the shortage of fully trained ministers to serve small, low-budget churches, the Commission on the Ministry has encouraged local training programs for preparing Laymen to serve these churches in limited areas. A manual and other materials are available for a course in lay preaching from the Oak Creek office. The Commission is understandably concerned with recruiting young men and women to train for full time Christian service and, therefore, retains a liaison relationship with the Foundation for Theological Studies.

Always concerned with fostering traditional Congregationalism the Commission on the Ministry periodically distributes and recommends, when requested, material in the area of faith and order in the free church.

The Commission has inaugurated and has the responsibility for continuing the National Association Ministers' Convocation held the second week following Easter each year. A limited number of grants are distributed for individual attendance at seminars, workshops and other non-degree programs of study and enrichment.

The Commission has general oversight of recommended programs for the protection, welfare and career development of ordained ministers in the National Association. Information on these can be obtained by writing to the Secretary for Pastoral Relations.

SPIRITUAL RESOURCES COMMISSION

The Spiritual Resources Committee, which stemmed from a motion made at the Hartford Meeting in 1963, was raised to Commission status at the 1967 Annual Meeting at Carthage College in Kenosha, Wisconsin, and charged by that Annual Meeting as follows:

The Spiritual Resources Commission shall be charged with the responsibility of encouraging and increasing the knowledge and love of God in both personal and corporate devotions, and of witnessing in the world to Christ and his Gospel.

The Spiritual Resources Commission undergirds the spiritual aspects of the National Association, and acts as a continuing stimulus to the devotional life of the Churches.

The Commission sums up its purpose by taking as its watchword Matthew 6:33 "Seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."

WOMEN'S COMMISSION

The objective of the Women's Commission is to further the work of the Kingdom of God by uniting the women of the Congregational Christian Churches in Christian Fellowship through programs of education, spiritual growth, and testimony expressed in stewardship and service. The Commission seeks to be a clearing house for ideas and methods found effective in promoting women's responsibilities in the local Churches and in the larger area of the nation and the world.

For assistance, helpful material is available upon request from the national office, P.O. Box 1620, Oak Creek, Wisconsin 53154. Among materials available are, program planning material for interesting programs, timely devotional readings, the Missions Directory as well as suggestions for hand work for missionary projects, and offering envelopes for the Women's Project. There is a slight charge for some of these materials to cover the cost of printing and mailing.

Each year, at the Annual Meeting of the National Association, the women select areas for our combined benevolences called the Women's Project. Each year our gifts have been larger and we hope for continued growth in our Women's Projects.

The Commission supports and encourages state and regional meetings of Congregational women and the formation where desired of statewide Congregational Women's Fellowships.

WORLD CHRISTIAN RELATIONS COMMISSION

The World Christian Relations Committee was brought into being at the Minneapolis meeting in 1962, and at Wichita in 1964 was given full Commission status.

In creating the Commission, the National Association charged it as follows:

"...The World Christian Relations Commission shall be charged with the responsibility for making effective witness to the Free Church Way in this country and around the world. It shall be the agency of the National Association of Congregational Christian Churches in initiating, implementing, sustaining and improving relations with all other established religious bodies in a spirit of fellowship."

The Commission is also charged with implementing our relationship to those agencies having a concern for Congregational Christian history and heritage. The vitally imperative obligation of making the Congregational voice heard in an ecclesiastical milieu where the presbyterial, episcopal, and papal claims are clear and insistent, rests with this Commission. The cause of Congregationalism will not be served by timid isolation. With wisdom, persistence, and imagination we will cause the Congregational Way to be seen among men.

COMMISSION ON YOUTH

It is the purpose of the Youth Commission to offer local churches youth program resources and support so that the churches can provide opportunities for growth in the understanding of Christian life principles, for the development of a sense of responsible freedom, and for serving the cause of Christ through fellowship and service. The Youth Commission does not seek to provide a total program for the local church youth, rather, it seeks to support these groups and extend specific help when it is requested. In accord with this aim, the Commission engages in the continuing development of resource material for use by the churches.

Further, the Youth Commission seeks to provide opportunities for inter-group fellowship among young people through the National Association Pilgrim Fellowship and the Heritage of Pilgrim Endeavor (see below). An Annual Assembly for NAPF and HOPE is held each summer in conjunction with the Annual Meeting of the National Association. The Assembly is an opportunity for sharing, growing, and learning for the youth of our churches.

Opportunities for service, which might otherwise be unavailable, are afforded through the Work Camps and Pilgrimages sponsored by the Youth Commission. These special programs are available to the High School and College young people of all National Association churches. Other projects, in this country and overseas, are sponsored as needs and opportunities arise.

PILGRIM FELLOWSHIP

The purpose of the National Association Pilgrim Fellowship is:

"To promote a free Christian way of life among the youth of our country; to unite all Congregational young people in worship, fellowship and service; to develop the spiritual qualities and leadership of youth; to convey our ideas to the world in Christian action."

The activities of the NAPF are directed by national officers elected at the Annual Meeting. As a part of the program of the Commission on Youth, the NAPF operates under the Commission with the assistance of Co-Directors appointed by the Commission. The NAPF strives to serve local groups by providing aid and encouragement at the Annual Meeting and by communications throughout the year.

HERITAGE OF PILGRIM ENDEAVOR

HOPE is an active fellowship of young Congregationalists who have graduated from high school and who wish to continue their ties with the National Association. It operates under the guidance of the Youth Commission and has two Co-Directors appointed by the Commission. The objectives of HOPE are three fold:

1. To provide a continuing fellowship for Congregational young people who have graduated from high school.
2. To provide enthusiastic and dedicated leadership for the Pilgrim Fellowship.
3. To become intelligent and creative adult members of the National Association.

AREA CONGREGATIONAL ASSOCIATIONS AND FELLOWSHIPS

In extending the Congregational Way, Churches and individuals in various parts of the country have established local Associations and Fellowships of several types. While these are not organizationally related to the National Association, they are listed in this Yearbook for informational purposes.

Unless otherwise indicated, membership in these area groups is by Churches and voting privileges are accorded only to delegates from the Churches. If other provisions prevail, a brief descriptive sentence follows the name of the organization.

An "X" appearing before the name indicates that updated information has not been received and that the data included is reprinted from last year's Yearbook. Groups which have not responded in two years to requests for information are listed, however, to avoid publication of outdated information, officer information is omitted.

The groups are listed alphabetically by state or geographical area.

ARTICLES OF ASSOCIATION

of the

National Association of Congregational Christian Churches of the United States

Preamble

WHEREAS Churches of the congregational order have historically held to certain truths, chief among which are the freedom of the Christian man maintained at all costs and all hazards; the right of the local Church to self-government in all matters temporal and spiritual, because of Christ's word that where two or three are gathered together in His name He is in their midst; the fellowship of the Churches in the spirit of love, without compulsion or restraint and free from the bondage of creed or ecclesiastical control, and,

WHEREAS the congregational way is one of the great outer and corporate expressions of the inner and individual life, and,

WHEREAS the needs of our time demand that these timeless principles be revived and given national, as well as local, expression, and,

WHEREAS the advance in transportation and communication is such that Churches a continent apart are now as near together as the contiguous Churches of yesterday, and,

WHEREAS it is desirable that Congregational Christian Churches have an organization embracing the entire nation, of which the members shall be Churches, and through which they may take counsel and may realize their common purposes, and advance God's Kingdom;

WHEREAS Churches by delegates assembled in Detroit, Michigan, on November 9 and 10, 1955, first organized and elected temporary officers of the National Association of Congregational Christian Churches;

THEREFORE WE, the Churches by our delegates here assembled in Wauwatosa, Wisconsin this 25th day of October, 1956, do covenant in this National Association of Congregational Christian Churches to walk together in the ways which God anciently revealed to our fathers, and in such further ways as He may yet reveal to us, the present form and purposes being hereinafter stated. Amen.

This roll shall be made available to all delegates by posting or duplicating or both.

3. *Nominating Committee; Nominations and Elections*

Members of the Nominating Committee shall be members of member Churches.
- (b) The Committee's nominations shall be transmitted to the Association Secretary who shall transmit such list of nominees to all member Churches at least thirty days prior to such regular meeting. In addition to any nominations so made, in every case nominations for any elective office may be made from the floor of the meeting. The Moderator shall in every instance call for such nominations from the floor. In cases where there is no contest the nominees may be elected by voice vote. If there is a contest, the vote shall be by written ballot the following day.
- (c) Nominations for members of the Nominating Committee shall be complete on the day preceding the vote upon their election which shall be by written ballot, except that in case there are only the required number of nominees they may be elected by a voice vote on the day of nomination. A plurality shall be considered sufficient to elect.

4. *Committee on Resolutions.* At each Annual Meeting, a Resolutions Committee consisting of five persons present from member Churches shall be elected from the floor to serve until the close of that Annual Meeting. A plurality shall be considered sufficient to elect.

A. Resolutions Procedure.

1. The Resolutions Committee may initiate and propose resolutions only in reference to expressions of appreciation for hospitality and for appreciation of service to the National Association.

2. All other resolutions, except those matters which are properly considered as proposals for action made by the duly constituted boards, commissions, and committees of the National Association, shall be proposed as follows:
 - (a) Only a member church can offer a resolution, and must certify by the Clerk or Secretary of the Church that such resolution was duly approved congregational action of said Church.
 - (b) Such proposed resolution must be germane to the purposes of the National Association as expressed in Article II, Purposes, of the Articles of Association of this Association.
 - (c) A copy of such proposed resolution must have been sent to the office of the Executive Secretary at least sixty days prior to the convening date of the Annual Meeting.
 - (d) No less than forty-five days prior to the convening date of the Annual Meeting, the Executive Secretary shall mail to each member Church a copy of all resolutions proposed under 2(a) above, showing the name of the proponent member, in order that each member Church will have the opportunity to take congregational action on such proposed resolution so that its delegate may be informed as to what position the member Church wants to take on the same. Copies shall also be given to the elected Resolutions Committee.
 - (e) All resolutions so proposed shall be considered by the Resolutions Committee, and the Resolutions Committee shall report to the Annual Meeting its recommendations, favorable or unfavorable, on each proposed resolution. In the event that the Resolutions Committee reports unfavorably as to any proposed resolution, such resolution can then be brought before the Annual Meeting for action only by the delegate, or his official alternate, of the member Church proposing such resolution.
 - (f) Any resolution that is adopted shall in no sense bind the member churches.

5. A *Commission*. A commission shall consist of a body of persons charged with the responsibility of carrying out one or more purposes and/or activities of this Association.

- (a) A Commission shall be charged by the Annual Meeting creating it with a statement of its purposes, powers, and duties, and such statement can be from time to time changed by the action of an Annual Meeting. All existing commissions shall continue to operate under their present charges or rules.
- (b) A Commission shall have authority to conduct its own business within its charge from the Annual Meeting, or its existing rules, provided its actions are germane to the purposes of this Association as stated in Article II of the Articles of Association, and subject to Article IV, 2(c) of the Articles of Association.
- (c) A Commission must work within the framework of the budget approved by the Annual Meeting, or as subsequently revised by the Executive Committee.
- (d) A Commission shall consist of not less than five nor more than nine members, the number to be subject to determination by the Annual Meeting creating the Commission, or by any subsequent Annual Meeting. Not more than two members of a Commission may be members of nonmember Churches.

- (e) The Commission members shall be nominated by the Executive Committee, and after opportunity for nominations from the floor, shall be elected by the Annual Meeting, consent to serve to be obtained from nominees in advance of nominations. In cases where there is no contest the election may be by voice vote. If there is a contest the vote shall be by written ballot the following day.
- (f) The Commission members shall have four-year terms, and terms shall be staggered so that approximately one-fourth of the terms expire each year. A member may serve a maximum of two (2) four-year terms but not consecutively. All terms shall begin at the close of the Annual Meeting.
- (g) Any Commission can be abolished by a majority vote of an Annual Meeting.

V. STATISTICS

A list of member Churches in this Association shall be prepared annually by the Secretary and sent to the member Churches. This list shall, so far as possible, give correct addresses of the pastors and clerks of the Churches so listed, together with such other information as shall be deemed wise in the judgment of the Executive Committee.

VI. FINANCE

1. *Financial Stewardship Committee.* The Executive Committee shall appoint a Financial Stewardship Committee with direct responsibility to the Executive Committee and consisting of eight members, including the Treasurer of the Association who shall be a voting member ex officio. Of the seven remaining members initially one member shall be appointed for a term of one year, two members for two years, two members for three years, and two members for four years, but each term thereafter shall be for four years. No appointed member shall serve more than two (2) consecutive four-year terms, nor shall he or she serve or be nominated to serve on any other board, committee, commission or division of the Association so long as he or she is a member of the Financial Stewardship Committee.

The Financial Stewardship Committee shall have responsibility for fund raising, identification of financial needs and long range planning. In addition this committee shall be responsible for reviewing all financial matters and for making recommendations to the Executive Committee.

2. The expenses of the Association shall be met from voluntary contributions solicited from the Congregational Christian Churches in response to recommendations from the Executive Committee, and also from such receipts as may come to the Association in its meetings or through special gifts and legacies.

3. The fiscal year shall begin on April 1 and end on March 31, effective April 1, 1972.

VII. STANDING RULES

Standing rules for the Association may be adopted from time to time by a two-thirds vote of the members present and voting at any meeting of the Association.

VIII. REFERENDUM COUNCIL

1. In the event that not less than ten percent of the member Churches of the National Association contend that any agency or creature of the Churches of the National Association is violating the principles set forth in the Articles of Association, or is taking action contrary to the will and interest of the Churches, or is formally contemplating such violation or action, the contending churches shall have the right and power to call a Referendum Council.

An agency or creature of the National Association is any Committee, Commission, Board, Corporation, or legal or ecclesiastical entity of any kind, brought into existence by the member Churches of the National Association and ratified by the Annual Meeting or a special meeting of the National Association, or by common acceptance and usage. Any subsidiary agency or creature subsequently brought into being by an agency or creature of the National Association shall be deemed an agency or creature of the Churches of the National Association for this purpose.

2. A Referendum Council is an adaptation of the Congregational custom of a vicinage council. It is composed of nine persons, three to be chosen by the Churches that call the council, three by the party whose action or proposal is in question; these six to choose the other three. Each of the nine persons must be a member in good standing of a local Congregational Church which is a member of the National Association. Not less than five members of a Referendum Council shall and must be laymen. If the party whose action or proposal is in question shall fail or refuse to choose three persons within thirty days after receiving written notice to do so from any Church which participates in the call, the Churches taking part in the call shall have the right to choose the number of persons who otherwise would have been chosen by such party.

3. A Referendum Council meets at such times and places as are determined by the last three persons chosen and considers the controversy, hearing the pleadings of both parties. All records of the National Association and its agencies and creatures shall be available, without the necessity of legal recourse, to either or both parties. The Referendum Council shall endeavor to settle the controversy. If unable to do so, it makes its findings, which may include a minority report, formulates the question at issue, and sends the question directly to the Churches, together with a notification of the deadline for voting set by the Referendum Council.

4. The local Churches vote on the question in their own localities. Only a duly convened meeting of a local Church shall be competent to act upon a question submitted by a Referendum Council. A copy of the vote of the local Church, certified by its proper official, shall be forwarded to the Secretary of the National Association. The secretary shall tabulate the votes, and not later than sixty days after the close of voting, notify all member Churches of the results of the balloting. A two-thirds majority vote shall be necessary for decision. No subsequent action on the part of the Annual Meeting of the National Association or a special meeting of the National Association, or on the part of any of the agencies and creatures of the Churches, can overrule or supersede the decision of the Churches on a question referred to the Churches by a Referendum Council.

5. A vote on a question referred to the Churches by a Referendum Council has for the Churches as much force as force of wisdom in it lies; it is not a legal determination. No local Church can be legally bound by anything but its own actions or the laws of the state. But any agency or creature of the Churches of the National Association which ignores, contravenes, or alters the will of the Churches as that will is expressed in a vote of the Churches on a question referred by a Referendum Council, is acting beyond its legal powers, and is subject to legal action by the Churches.

IX. STANDING AND ORDINATION

1. In accordance with the historic and accepted practice of congregational bodies exterior to the local Church of making lists of the names of those who have ministerial standing in our Churches as ordained pastors and teachers and other ministers, missionaries, college and seminary professors and chaplains, the National Association shall prepare, maintain and publish such a list. The list shall include the names of ordained Congregational ministers who are retired or no longer engaged in full-time Christian service or are serving other than National Association churches, and licentiates, coded to indicate their current status.

2. The presence or absence of the name of a pastor or minister on this list shall not be construed as either conferring or denying ministerial standing. The act of recordation shall be a mere acknowledgement of the fact that he is the pastor or minister of a member Church of the National Association. This list is compiled for the convenience of those concerned and as a source of information to the Churches, and it shall be published by the proper agency of the National Association as this is determined by the Executive Committee.

3. In no case shall any person have the right to vote in a National Association meeting merely by virtue of inclusion of his name in these lists. In every case a listed person except a retired minister shall be a member or an associate member of a member Church of the National Association.

4. The National Association has no power to ordain, censure, or depose a minister, or to sit as a council of reference in such cases.

5. Ordination is the right and business of the local Church, but the following statement of things commonly held among us is germane to the purposes of the National Association as stated in Article II of the Articles of Association.

- (a) The local Church being complete under the Headship of Christ in all spiritual and ecclesiastical power has, and shall retain, the inalienable right to ordain. The local Church may call an ecclesiastical council as an expression of the fellowship of the Churches, but it shall be remembered that ordination is by the local Church.
- (b) Ordination by the local Church is valid and sufficient, but it is conducive to orderliness and continuity of record that the fact of a minister's ordination be listed with a larger body or bodies. This may include a local association of Congregational Churches and the National Association. In the case of the National Association, such listing shall be done under the pertinent provisions of this Bylaw.

X. PARLIAMENTARY AUTHORITY

Unless otherwise provided, meetings shall be conducted in accordance with Robert's Rules of Order (Newly Revised Edition).
